

Staff Dentist Opportunity

This staff dentist will have the exciting opportunity to take part in the creation and expansion of a new clinic in 2020-2021.

ABOUT US

HealthNet of Rock County is a free and charitable clinic serving Rock County individuals who are low-income, uninsured, or underinsured for medical, dental, vision and behavioral health services. HealthNet of Rock County, Inc. opened in 1994 as a 501(c)3 non-profit organization through the result of a needs assessment that identified a lack of affordable healthcare as one of the major problems in Rock County.

HealthNet of Rock County, Inc. seeks a driven, motivated part-time **General Dentist** (32 hours/week) who will help the organization make a significant difference in the community. The ideal candidate must have excellent interpersonal skills with an interest in providing high-quality personalized care to patients in a community-based care setting.

The HealthNet Dental Clinic provides cleanings, fillings, extractions, and in some cases, specialty services. At this time, HealthNet of Rock County's dental clinic sees patients who reside in Rock County. The dental clinic accepts uninsured and BadgerCare patients.
